

Single sided semi-automatic laminating machine.

SFML-720A/920A/1100A

GMB

Supplied By **press products**

Compact and user-friendly for use with single sided thermal lamination.

Pneumatic
film shaft

Inline
slitting &
perforating

Automatic
cutting system

Touchscreen
operation

- Semi-automatic laminating machine.
- Schneider PLC control system.
- Laminates various paper sizes up to 720mm/920mm/1100mm wide.
- Compact and user friendly.
- Anti-curl device.
- Ideal for Litho and Digital Printing.
- Laminating speed: up to 30m/minute.

Single sided semi-automatic laminating machine.

SFML-720A/920A/1100A

Supplied By **press products**

The SFML 720A/ 920A/ 1100A is a compact, semi-automatic laminating machine. This machine is cost effective and energy efficient and its user friendly design means that the machine can easily be operated by one person.

Features

1. The Schneider frequency inverter ensures that the speed can be easily adjusted.
2. The machine is equipped with a built in chrome heating system ensuring accurate and stable temperature control.
3. The Schneider PLC system controls automatic paper separation.
4. The film shaft is controlled by pneumatic pressure which allows easy change over and adjusting of laminating film rolls.
5. A tension control shaft to adjust the tension of the laminating film.
6. Double set of serrated perforating wheels.
7. The ability to adjust traction on the belt ensures easy feeding.
8. After separation the laminated sheets are collected by the paper jogger, keeping the sheets in order while counting each sheet.

Configuration

| Model | SFML-720A | SFML-920A | SFML-1100A |
|----------------------|-------------------------|-------------------------|-------------------------|
| Max Paper Size | 720mm | 920mm | 1100mm |
| Paper Thickness | 100-500g/m ² | 100-500g/m ² | 100-500g/m ² |
| Max Laminating Speed | 0-30m/min | 0-30m/min | 0-30m/min |
| Gross Power | 13kw | 15kw | 17kw |
| Total Weight | 1600kg | 1800kg | 2000kg |
| Overall Dimensions | 4000x1470x1650mm | 4000x1670x1650mm | 4000x1850x1650mm |

Technical Parameters

No notice will be given should there be any change to product specifications.
