

# Tabletop Laminators

## ***Big Profits from a Compact Laminator!***

Royal Sovereign tabletop roll laminators provide high quality performance in a compact space efficient design that is ideal for any small Sign or Print Shop. Combine these laminators with a graphics printer to provide endless finishing solutions.

### **Royal Sovereign Advantages**

- **Easy to Use** Simple set-up with one button operation and soft touch digital controls on the front of the laminator
- **Optimized Performance** Perfect for use by schools and most print and sign shops
- **Compact Design** Designed with a small footprint for use in tight work spaces
- **Fast Laminating** Short warm-up times and quick motor speeds provide for fast finishing

*The RSL-2702S (pictured) is a great fit for any small print shop!*

Royal Sovereign's tabletop roll laminators are a great fit for print shops, sign shops, and schools. Built for safety and ease of use, these sturdy machines have durable, sturdy frame construction and require little assembly and minimal maintenance. Enhanced features and functions make laminating easier than ever. Perfect for laminating documents, posters, placemats, letters, art work, training aids, and various educational materials up to 27" wide. Backed by over 30 years of experience, these economically priced tabletop roll laminators are a smart option for today's schools, print & sign shops.
